Dear

This is to request on behalf of the House Select
Committee on Intelligence:

ILLEGIB

1. The Mayaguez post-mortem which was discussed in a
Working Group of the National Security Council on May 20,
1975 and the minutes of that meeting.

ILLEGIB

2. The briefing given to the National Security Council's
Intelligence Committee on October 22, 1975 by NIO
on the intelligence community efforts since the 1973 Mideast
War to improve analysis and reporting.

3. All original documents which the Intelligence Community
staff retains in its files relating to the second post-mortem
on the 1973 Middle East war.

Due to the press of Committee business I would hope the
documents relating to the second Middle East Post-Mortem and
the U.S. troop alert could be delivered to the Committee by
the close of business November 7; and that the other documents
follow as soon as possible.

Thank you for your assistance in this matter.

Sincerely,

Gregory Rushford
